About Us

George Cox & Sons Ltd are a highly respected, North West based civil engineering and highways contractor with over 75 years' experience. We specialise predominately in long-term framework contracts with Local Councils and Transport Authorities and have a proven track records of delivering high quality schemes. Due to our reputation of working in a safe, cost effective and collaborative manner, we are repeatedly invited to participate in early contract involvement and value engineering solutions.

Key Responsibilities

You will ensure that the work is delivered in accordance with technical specifications, project drawings, and construction standards. Works Managers will coordinate with subcontractors, manage site teams, and ensure effective resource allocation to deliver a variety of construction projects.

As the Works Manager, you will also play a critical role in maintaining safety compliance and quality assurance. It will be your responsibility to prepare the pre-construction information, including all requirements relation to the construction (Design and Management) Regulations, compile Risk Assessments and Method Statements as well as maintaining welfare standards on all sites to an acceptable standard.

Key Requirements

You will have significant experience in infrastructure or construction management with groundworker experience and proven experience in managing construction projects from inception to completion. Together with a sound understanding of construction contracts, including NEC4, you will also have the ability to work confidently with Microsoft Projects, preparing programme, progress, milestones and monitoring critical paths. You must have strong leadership and people management skills and have excellent problem-solving skills with the ability to identify and resolve issues quickly and effectively.

In addition, you will have SMSTS, CSCS, NRSWA and a full UK driving licence.

In addition, the following qualifications are desirable: NEBOSH, MCIQB, Civil Engineering Qualification.

Applicants can apply by sending a CV with a covering letter to hr@gcox.co.uk
